- Biomechanically engineered for ultimate comfort and performance
- Innovative H-Bar\* heel locking system
- Interchangeable slide pads and heel on the left shoe only
- Genuine Clarino® #8 white microfiber slide pad
- Right Hand only

\* H-Bar Patent pending

Featuring Ortholite® 3D Deluxe Insole

### What Is Biomechanical Contouring?

The human foot is asymmetrically shaped and curved with a natural angled flex zone, as illustrated in the diagram. Your bowling shoes should be the same. Strikeforce's performance shoes were designed with this in mind. The biomechanical contour of the shoe along with innovative flex bars work together with the natural movement of the foot to provide the ultimate in flexibility, comfort and function.

## INTRODUCING MEN'S HIGH PERFORMANCE HAMMER FORCE

- Soft, durable microfiber upper
- STA-DRY™ Open Mesh tongue and collar for maximum breathability
- Thermal Poly-Urethane (TPU\*\*) outsole that is extremely flexible
- Minimal break-in time required
- Interchangeable slide pads and heels on both shoes
- Biomechanically engineered for ultimate comfort and performance
- Innovative H-Bar\* heel locking system
- Genuine Clarino® #8 white microfiber slide pad
- Ortholite® 3D Deluxe Insole for maximum breathability and cushioning
- Included on shoes:  
#8 white microfiber slide pad, T03 rubber push off sole,  
#5 graduated rubber heel and #2 shark tooth heel
- Included in the box:  
#10 grey felt slide pad, #6 perforated white microfiber slide pad,  
#7 black leather heel, Dura-Flexx shoe cover, Hammer branded accessory bag,  
and an extra pair of laces

\*\* TPU Outsole Patent pending

- ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐

## Optional Interchangeable Slide Pads and Heels

### SLIDE PADS

Strikeforce Slide Pads trim easily to fit and can be used on any brand of interchangeable bowling shoes.

### HEELS

No trimming necessary - Strikeforce Heels are specifically sized to fit Strikeforce men's and women's performance shoes. Petite (W 6.5-7), Small (M 7-7.5 / W 7.5-9), Medium (M 8-9.5 / W 9.5-11), Large (M 10.5-11.5) and XLarge (M 12-13)

**The Strikeforce High Performance Slide Pad and Heel System gives bowlers options for increased slide and grip**

For your perfect match, determine the lane approach condition and your bowling style and consult the chart below to select the slide pad and heel combination that will give you the exact slide amount you need.

Slide Pad	#2 Brown Suede	#4 Black Suede	#6 Perforated White Microfiber	#8 White Microfiber	#10 Grey Felt
#2 Black Shark Tooth	4	6	8	10	12
#5 Graduated Rubber	7	9	11	13	15
#7 Black Leather	9	11	13	15	17

\* Note the higher number equates to more slide and the lower number equates to more brake

### PUSH FOOT PAD

No trimming necessary - Strikeforce Push Foot Pads are specifically made to fit Strikeforce men's and women's Performance Shoes.

- |                                      |                                      |
